

NUCLEAR INDUSTRY

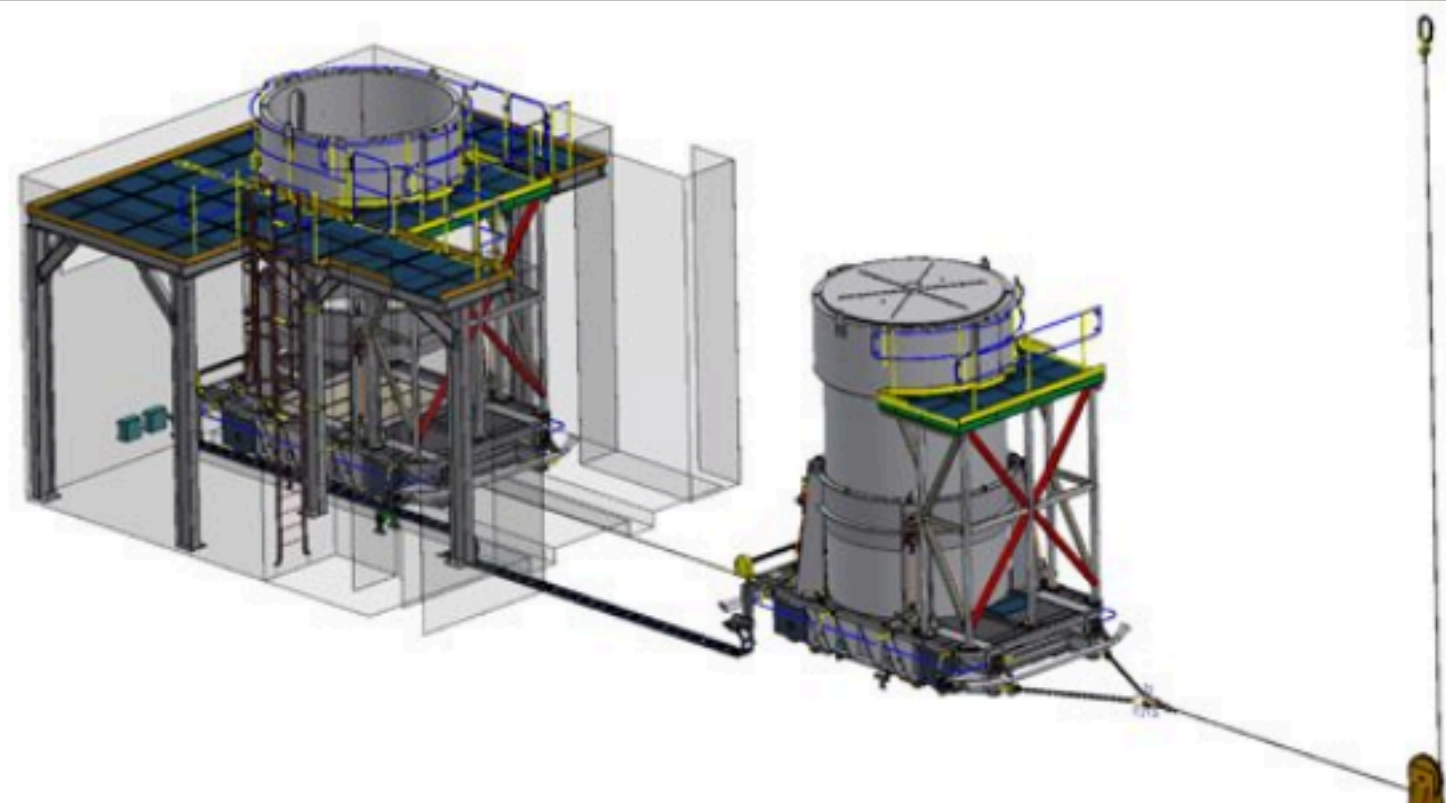

>

CONTACT US TODAY

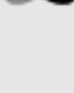

Nova have a successful proven track record in nuclear decommissioning projects and are currently tackling some of the largest technical challenges within the nuclear decommissioning programme.

Centrally located in the UK, Nova are ideally positioned to support the UK nuclear industry at all the nominated sites for the nuclear new build programme.

Since Nova’s formation in 1988, we have built successful relationships and design partnerships with a number of first and second tier suppliers working on nuclear decommissioning projects within the UK and European nuclear industry.

Project examples include the supply of mechanical design and drafting support for:

-  Grapples
-  Lifting Beams
-  Transfer Bogies
-  Remote Lifting Equipment
-  Manual Handling Equipment
-  Park Stands
-  Shield Doors
-  Spent Fuel Handling Equipment
-  Skid Mounted Process Plant
-  Mechanical Handling Equipment
